

BUILT FOR K12 EDUCATION

Onboarding & Support

UNLIMITED STAFF TRAINING

Training Opportunities

Included in your subscription is unlimited live web training for you and your team as you need it. When you are getting started, hire new staff, or just want a refresher, your team can sign up for the training that best fits their schedule and role so they can get up and running with Script!

UNLIMITED ASSISTANCE

One-on-One Sessions

Reserve time with a Script expert! Our workflow analysts are here to assist you in a one on one setting with building forms and workflows, creating custom reports or administrating your Script account.

LEAVE IT TO US!

Professional Services

Professional Services provide turnkey solutions for busy people's problems. We work with you to understand your process and then take care of building your forms and workflows for you, giving you back time to focus on your core mission. Email us to learn more.
